“ I worked with Sandy in the Hernando County school system. She was a part of a group of 4 teachers who did presentations at Math Teachers conference. She was the one who ironed out our presentations and made the CDs. We enjoyed our time Every conference that we went to she had to go to bookstore for her to buy books for her grandchildren. They were the loves of her life. After moving back I heard many stories of her canning the garden and making preserves /jams. The last time we talked she needed to make more jelly for the grandchildren She was a very caring person! she left good memories in Florida I am happy that she had a direct flight to heaven.

“ So sorry to hear of the passing of Sandra. I haven't seen her for a number of years but we lived across the street from her and Linda on Sherwood Drive. My brothers and sister were good friends with Sandra at that time. Their names were Pat and Mary Price. In fact, Sandra was my brother Pat's first boy girl crush, She had a crush on him also.

My condolences to your family. Sandra was a very nice person.
Sincerely,
Evelyn Price Hamlin
