“ Dear Don, Tim, Stacy,

Your wife, mother was a gleaming diamond. She was a beautiful High School girl with a heart inside that drew people to her. We the Class of '59 of North High School wish to extend our sincere sympathy in losing her. Left are memories and hope for seeing her in Eternity.

A lot us started kindergarten with Sara, of course, midstream in High School came the consolidation with Hawkeye and Alpha students which enriched the class some more.

Sara's vocal talent stood out so she was given solo soprano parts. That was her talent when the Miss Iowa pageant took place in Oelwein, the summer that we graduated.

Most of all, I would call her "friend" in the true sense of the word. You could count on Sara to care.

May the Lord bless you and keep you in these difficult times. We classmates are sad to lose her. Stay well.

With you in Spirit,

The Class of 1959, North High

“ *Don and family - we were so sad to see that Sara had passed. We know you will all miss her tremendously. We send our deepest sympathy to all of you. We have so many happy memories of being neighbors for a number of years - the talks and beer in front of the garbage cans in the garage. chats over the back fence, celebrations after a supposedly swimming graduation, camping and having a racoon enjoy Sara's good cooking, and many more good times. We share our love and sadness with all of you. Don, we will call you sometime next week.*
