“ My thoughts and prayers are with you. I have many happy memories of Ben and I getting together with Maurice and Sheryl. One of us would fix a meal or we would go out to eat and then we would play cards--500. Lots of laughing went on during the game. It was usually Ben and Maurice against Sheryl and me. The last few years our contact was pretty much with phone calls. The last time I talked to Sheryl she told me how happy I was that I had gotten married again. I was so impress with how she kept going despite her physical problems. A wonderful women!
