“ Shirley & Mel were my neighbors in CF when I lived there and I've always made Christmas cookies and delivered to my neighbors. I continued to come back to deliver just to her all these years. I came to town today with her cookies and didn't get an answer. I googled and found my answer. My heart breaks for her boys. She always spoke so fondly of you and all the grandkids. I worked at CFPD after Mel had retired but we visited about that connection for years to come.

“ *I met Shirley in Grief Support Sessions at our church when we had both lost our husbands. We were later in the same Sunday School class and I admired her devotion in studying the bible.*
