“ So sorry to hear of Shirley's passing. She always seemed to me to be a truly caring, compassionate person. The world could use more people like Shirley. (I remember with fondness serving as an usher at Shirley and Chuck's wedding when I had just turned 17 many, many years ago.) Condolences to all the family.

“ Our thoughts and prayers are with your family. We have such special memories of Shirley's kindness and warmth during our time in Cedar Falls. Our first grandchild, Caden, was born in Tulsa and Shirley always wanted to see the newest pictures we might have received when we'd gather at St. Pat's for Sunday Mass. Many, too many, moments to share, but Shirley will be remembered fondly. God be with all of you during this time.

“ To Chuck and family,

*It is quite a while since I have had any contact with you, but I have many precious memories of you.*

*I knew you from my days at Holy Ghost in Dubuque. I spent time with you as a family. I treasure those memories. We shared many meals, outings and time together. You were an extended family for me. Your home next to Gay Park was pleasant and inviting.*

*Thanks for the memories and for being so hospitable to me.*

*Love and Prayers*
