“ *This was one sweet lady! She always had a smile and a hug to share with family and friends alike. All through the years, the love for her family just grew deeper. Her grandchildren were her pride and joy. Her bubbly personality made all our birthday and holiday gatherings a joy. Also she always made a pecan pie that couldn't be matched.*

Shirley will be surely missed by all who knew her.

I got to know Shirley as the neighbor of Ellen Lenzner. My late grandmother, Jane Thomas & mother, Connie Erne, had her as a home care client from 1984-86. That was so many years ago, but I thought of Shirley often after Ellen passed and remember how kind, funny and welcoming she was. My sympathies to you all.
