“ Beautiful picture of Kay...she was such a great person. Loved the times in her shop... never had so much fun getting my hair done. She will be greatly missed. My sincere sympathy.

“ I'll always remember Kay's "tell it like it is" attitude, and those fingernails that I was always jealous of! The Blake, Wienands, and Kothenbeutel family will always be special to me - I have a lot of fond memories of spending time at their house. Kay fixed my Mom's hair for years. Mom always came home from Kay's Beauty Shop laughing about something Kay had said or done - always was entertaining for Dad too because he would hear all about it when Mom came home. I can't believe that Kay is already gone from this earth but know she is out of pain and suffering, and finally at rest. My love and deepest sympathy to her family.

“ My condolences to Kay's family and friends. I was a year ahead of her in school and liked her honesty and sense of humor.

*She was my mom's, Ruby, hairdresser for several years and when my father, Hank, passed away she showed up at the house unannounced to fix Mom's hair. I thought that was so nice and thoughtful of her.*

*I have no doubt Kay will be greatly missed.*

“ I went to Pitze's with Kay many years ago and she was so funny and feisty all the time. We got to be good friends and she cut my hair for years. I know how she loved her family-nothing else mattered to Kay. RIP, crazy girl. I'll sure miss you.

“ *My deepest sympathy!! I was so shocked and upset when I heard of her passing. My mom cleaned for her in Dike, and my daughter worked for her. They both adored her and, Kay always seemed to brighten their day. My grandson Zach loved her and was so special to Kay as were many. I just loved her spunk and honesty. She was a wonderful person and hairdresser. She loved her grand babies and always shared about them the last few times I ran into her. I know she is in the hands of her Heavenly Father and smiling down on all of you.*

“ Kay was one of the funniest, toughest, rowdiest girls I went to school with. I always admired her grit and determination and her ability bounce back. Basketball teams from other schools feared her and her beautiful long fingernails. Some of us on the home team even feared those nails. :o) She was one tough cookie and I'll never forget her.

*Rest in Peace, Kay. You'll be missed.*
