“ *I knew Spencer at Tripoli High School where I taught English. Even though I never had Spencer in a class, we became friends through our love of technology. He often stopped by my room to talk about computers, etc. I often did not know what he was talking about, but I pretended I did! He was so bright! Such a sad thing that he is gone. My sympathies to his family.* ”

“ Ill never forget all the great times we had in class or when we hung outside of school. My favorite memory will forever be when we went to go to the creek and all fell and slid down the hill on our butts and got muddy. You were a great friend and you will forever be missed! R.I.P my family! ❤️
