I met Stan in 1953 when his little sister Sherry and I were friends and classmates at East High School. This was at the time Stan was serving in the military during the Korean conflict. “ My husband and I would like to convey our deepest sympathy to the family and friends of your beloved Stanley. We would like to share with you something that has brought us much comfort at a similar time in our lives. John 11:14-44 shares with us the experience of Jesus resurrecting Lazarus here on earth before the very eyes of those he loved. We can only imagine the tears of joy when we too are reunited with our dear loved ones. (John 5:28,29) Stanley will surely be missed by many of those who's lives he shared, remember the experiences you shared together and learn from them, hold them close to your heart and cherish them. May you find comfort from those who surround you at this very difficult time. Our sincere condolences to all of you.
