Steve was in my class and was always polite and friendly when I would run into him in downtown Cedar Falls. My prayers go out to his family.

“ Steve was a dedicated Lions club member, always ready to help others. He served our country with honor and continued serving others after his Navy tour. He was an expert in repair of leather of all kinds, now a lost art. Thank you Steve for your service to our country, our community and th Cedar Falls Lions club. Rest in Peace.
