“ *There are many people from Mineral Point, WI that have wonderful stories and memories of Summer's youth growing up in our small town. She had amazing artistic talents and could write beautiful words on a blank page. On behalf of the Class of 1990 of Mineral Point, we express our deepest sympathy with the passing of an amazing woman. May memories help to comfort all of you at this time.*

“ *I can't tell you enough how sorry I am for your loss, and how sad it makes me when I think of her & how unfair it is. She was such a wonderful person and my best memories of her was in chemistry when we were suppose to be listening, instead we would catch. I always remember her doodling on her notebook in class. No one can take all those wonderful memories away from you. You were blessed with a very beautiful mom, wife, sister & aunt. God Bless you all.*

“ *Where does one even begin...so many memories that started at such a young age. From us all living in the big house full of chaos and noise to us being neighbors for many years. Summer always had such a big beautiful smile. Her laughter filled the room. I haven't seen Summer in many years, however I did get the pleasure of having a lengthy phone conversation with her several months ago. Summer still had that same big smile, I heard it in her voice. My prayers go out to all of you, Greg, the boys, Mary, Steve, Autumn, Amber, Zach, Bobbi and the extended family. May you rest in peace Summer!*

“ Greag & family, I was so shocked to hear of Summer's passing. I am so thankful that I had the opportunity to work with her at the daycare. She was such an inspiration to me & always so much fun. Her smile was amazing and something I will never forget. I will always cherish the memories I have of her and I know that you will do the same. God bless you and your family.
