“ I just learned of Sue's passing. I helped care for her at a facility around 2007 and had kept in contact with her some in recent years. I'm so sorry for your loss. Kim Knittel

“ No heart breaks alone for God is always near. When a prayer is whispered God is always there to hear. When sorrow's overwhelming, He comforts tenderly. A single tear never falls that he does not hear.(Psalms 65:2) Sorry for your loss.

“ I can still remember that first day at Carlyle & Company in Greensboro....I was so nervous...first day jitters and then I met this super cool girl in the office whom they told me....this is Sue, she knows everything....just ask her. In the first two minutes....I KNEW we were gonna be life long friends! We clicked! Two Iowa girls living in North Carolina!! How did the two of us meet in a tiny office in NC! God, I know had a hand in that! Even though we haven't lived near eachother in more than 17+ years...we still talked and texted....laughed and complained....and I loved every single minute of it and I am going to truly miss my friend! I love you Sue....if you want, it would be so great if you could just, every now and then, let me know you are still around and play a prank....I know it will be you ;) My love & prayers to Sue's family....she was truly a very special person!

“ *Our sympathy to the family. We been transporting Sue since 2007 and many of our drivers became friends with her. Glad we where able to take her to the fair in Monticello this last summer. She greatly enjoyed it and we are happy she was able to have this time with her daughter and friend. You will be missed. Cozy Van Transport*
