“ *Dean Darren, Collin...*

I am so sorry for your loss of Sue, your wife and mother. I know the pain you are feeling as I am feeling it too. She was very precious to me, such a dear friend. I loved her like a sister and she will always be in my heart.

Sue spent most of this year struggling to survive for she so loved life. It was painful to see her have to struggle so, but I counted each day a victory and a blessing and I know she did as well.

We know that her struggle, her pain, is over now, and she is at peace in the arms of Jesus. It is very consoling to me to know that she's spending Christmas with Jesus this year.

Know that you are all in my thoughts and prayers....Maria
