“ Rest in Paradise, my sweet friend. I'll miss your contagious laugh, your personality that was one of a kind, your hugs were simply the best & I wish I had gotten more while I had the chance. The memories we made, I'll hold onto forever. You were truly one of the most kind & loving humans I've ever had the pleasure to meet. I thank you for allowing me to be part of your life. Until I see you again, "I miss you already".

“ I am in total shock! Tasha , Lara and myself were best friends all through junior high and high school. We did everything together from hanging out at NAZ , Believer choir at church to chillin at each others homes. She was an incredible person with a heart of gold! I have lots of fond memories and crazy times.... Like being boosted up to high windows by Lara and Tasha at church to see others in meetings. Boy we laughed so much. I regret loosing touch with her but did continue to see her on FB posts. I pray for her Mom Tayna and Gene, her Dad Craig and Susan.... My heart breaks for them. I also pray for her sister Lara and her family. Know that I loved you Tasha and am so saddened. May you Rest In Peace . Love you
