

Tempest Woock

October 9, 1969 - May 29, 2022

Tempest Lyn Woock was born to Sandra and Roger Woock October 9, 1969, in Waterloo Iowa. Tempest was God's gift of a perfect child with special needs.

When Tempest turned 3 she started River Hills School, a school for special needs individuals. She attended River Hills until she turned 21. Tempest participated in Special Olympics winning many metals and she was a girl scout along with many of her friends. She enjoyed going through the newspapers reading the ads and cutting them out.

Tempest moved to Emerson Group home where she lived for almost 30 years with the same people. They became a family with each one looking out for the other. Emerson closed June 4, 2020. EPI released her from their care and Tempest moved into Cedar Falls Health Care nursing home in July 2020. In February 2022, Tempest moved to Parkview Manor nursing home in Reinbeck, Iowa.

Tempest attended Nazareth Lutheran Church with her family and also attended a confirmation class for special needs individuals. Tempest choose John 14:6 as her confirmation bible verse. Tempest believed and put her trust and faith in Jesus. On Sunday, May 29, 2022, at 7:02pm, Tempest Lyn Woock's spirit left her body and it went directly into the arms of Jesus.

She is survived by her father, Roger (Diane) Woock of Cedar Falls; sister, Nicoll Carson of Evansdale; nephew, Cody Carson, great niece and nephew, Mia and Ayden of Cedar Falls; sister-in-law, Jennie Waller, and two nieces, Olivia and Elliott Waller of Janesville.

“ *Although I did not personally know Tempest, my brother, Keith Janssen was her friend. My brother lived in Eldene & Paige Groups homes and now lives in a small site in Cedar Falls and knew Tempest for many years. He told me on Tuesday night that his "girlfriend" passed away and it made heart hurt. May God Bless you all during this time and may you be comforted by knowing she is now in the loving arms of Jesus!*

“ So sad to hear this 😞. Tempe was such a good helper when we had the Wednesday Lenten soup dinners before service at Naz. Always had a smile and a hug. I loved when she would see me and yell out my name. Was very eager to help and a joy to be around. Soar high Tempe. 🙏🏻🙏🏻

“ You have my sincere sympathy. Sandra and I shared the same hospital room when *Tempest* and my daughter, *Susan* were born. I never forgot that baby girl who always stuck her tongue out. At least when we were in the hospital. My *Susan* passed on 8-8-2016 so I do know your pain. May God keep you close during this journey of loss.
