“ We grew up together. Seems like yesturday we were laughing and smiling together. I want to send my deepest sympothy to the surviving family. I know how it hurts me I can't imagine the pain for the family. I wish I could be there, but unfortunately can't till the end of the month. It's been awhile since we seen each other. I feel real bad that we only talked a couple of times. I'm glad though that we got incontact resently though. 19 yrs is a long time. I remember visiting about 96 possibly my yrs then are combined together. It's also been a long time. She was a really good friend and would do anything for them. She will be deeply missed.
