“ Julie: We send our sympathy to you over the loss of Ted. It has been many years since we have touched base but I worked with your Ted at the Public Works office where Engr dept was and as I think of him, I can visualize him at the drafting table --neat co-worker know you will miss him - cherish those memories. “ Please accept our sincere condolences. May the words quoted from this song bring you a measure of comfort as it did for us.  
"If a man should die, can he live again?  
Hear the promise God has made:  
He will call; The dead will answer.  
They shall live at his command.  
For he will have a longing  
For the work of his own hand.  
So have faith, and do not wonder,  
For our God can make us stand.  
And we shall live forever,  
As the work of his own hand "(Job 14:13-15)

“ I worked with Ted on the City of Cedar Falls survey crew in 1976. He was a good man. Several of us were just out of high school - Ted overlooked a lot and corrected us a little. We respected him. Rest in peace.
