“ *Janet and family: I want to offer my condolences to you and the children. I always knew where I stood with Tom. He was a character that always had to give me a hard time. But in the end he was a true friend. We had many conversation over the 15years that I knew him. His kids were the most important thing in life to him. But, when he met you Janet you added to that list of people that he loved so dearly. I remember the day I saw him at the plant and he told me he was getting married. I said to him did anyone warn her about you? he said yeah! all of the guys that he had introduced you too. Tom, was my buddy and no matter where I saw him he was the same. He would call me out if i didn't speak to him. And I am not that way, if I see you I am going to acknowledge you inside or outside of John Deere. So, this particiular time I didn't see him in hy-vee and he let everyone know it by bellowing out my name. I had to laugh but I was so glad to see him for it had been atleast two years since we had seen each other. I will miss my friend but I know he is in a better place and I will see him again someday. Rest my brother!*
