# Tribute Wall

“ Don and Faye,  
I am so sorry for the loss of your son. My heart goes out to you at this difficult time. Words can not ease your pain, but I just wanted to let you know that my thoughts and prayers are with you. Don, I remember back at Clay Equipment, you used to talk about your boys with such pride. All of their accomplishments; when they got married and when the grandchildren arrived. Keep those memories. Someday you will be together again. Remember, the love you had and will have again.  
Thinking of you,  
Marie
