I worked with Tiny at W. I. and he always took time to talk to you. Hard to believe he is gone so soon. We were a tight group that worked there. RIP Tiny

“ I worked at CFHS and got such a kick out of Coach Mitchell and Time arguing about putting the lines on the football practice field. It happened every year, and I think it just became a tradition! Tim knew he wouldn't win, but he had to get Coach all fired up anyway. He was always a nice guy to be around, and he sure had a love of fast cars. My condolences to Kathy and family.

“ Tiny was the most kind person I've ever known. Back in the day and being such a tomboy that I was, he'd always let me cruze University avenue with the big boys and I always knew he was looking out for me and had my back no matter what, like a fourth big brother would! You will be missed, my friend, RIP.

“ Any time I needed help he was there. When I came into work he would say "Hi Sunshine". It's going to be sad when school starts back up and not having him say hi:(

“ I met Tiny in High School. He always had the coolest car. He would cruise CFHS before and after school. When every we passed on the street he would honk, smile and wave. In person we would always exchange smiles and hugs!! I will miss this caring, smiling, lovable teddy bear.

“ *Tiny was a huge supporter of the students planting trees at Holmes Jr. High! He gladly lent his shovels, fence post driver and wheel barrows so there would be enough tools for the students to use. I am going to miss him!*
