Todd Daniel Eagen, 54, of Cedar Falls, Iowa, died unexpectedly, Saturday June 4th, 2022, at home.

Todd was born January 18th, 1968, in Harlan, Iowa, son of Lana and Terry Eagen. He grew up in Marshalltown, Iowa, moving to Oskaloosa, Iowa where he graduated from Oskaloosa High school in 1986. Following graduation, Todd attended the University of Northern Iowa, where he played football earning many honors and ultimately becoming co-captain and MVP his senior year in 1991. Following his playing days, Todd followed in his father's footsteps becoming a Graduate Assistant, then Assistant and Defensive Line coach for the UNI football program. While coaching, Todd also earned his Master's Degree in Physical Education and Kinesiology with an emphasis in teaching/coaching.

After coaching at UNI for 12 years, he went on to work in pharmaceutical sales for 7 years before joining Van G. Miller and Associates first as Vice President and then President of OPGA (Orthotics and Prosthetics Group of America). During his time at VGM, Todd served on several national boards, most notably NAAOP (National Association for Advancement of Orthopedics and Prosthetics) where he was a member of the Board of Directors, Executive Committee member and Secretary/Treasurer. He also served as a board member of Tate's Army foundation. In his free time, Todd enjoyed gardening, grilling, and watching the birds he fed off the backyard deck. He was also an avid golfer, traveling to many beautiful courses across the United States.

Todd is survived by his two daughters, Allison and Caroline, and their mother, Valerie Eagen. He is also survived by his two siblings, Lisa (Amy) Eagen of Atlanta, Georgia, and K.C. (Beth) Eagen of Denver, Colorado, and their two children, Miles and Norah.

He was preceded in death by his parents, Terry and Lana Eagen; an infant brother, Michael Lewis Eagen.

“ Coach Eagen was a great friend, coworker and mentor to me while I was in college. He was a graduate assistant at the time and would always come into the office with a positive force and encouraging words! Thanks for all you did for me and the rest of the students and athletes you worked with over the years!

He was scheduled to come play golf in Manhattan this month. I have great memories since we met as freshman in 1986 that will last a lifetime for me. Love you Eag's*

“ Todd,
It takes a minute to find a special person, an hour to appreciate them, and a day to Love them, but it takes an entire lifetime to forget them. Todd -You will never be forgotten and You were truly someone I called a Friend and like my Grandfather has always said you will be able to count them on your 10 fingers as you go thru life.
Thank you for being a great partner in our business, a friendly face when fishing and hiking, and all of our talks about our college football days.
You will be missed my Friend.....

“ Todd was an outstanding football player and a leader on our team. His work ethic on the field and in the weight room served as an example for other players. What many may not know is that he had a tremendous sense of humor that helped keep things fun and interesting in practices and at team gatherings.

“ I am so sorry to hear of Todd's passing. I worked with Todd when he was coaching at UNI. I had so much respect for him for pretty much single handedly running the football program when Terry Allen and the rest of the staff left for Kansas at a crucial time during the recruiting season.

Todd was SO proud of his daughters! Whenever I would see him out and about we would always talk about Ali and how great she was doing at U of Iowa.

I am so sorry for both of you girls for your loss. I pray that you will feel God's arms around you for strength and comfort.

“ Todd Eagen was a wonderful man and a prince of a fellow. We spoke three different times this past week Todd and OPGA hosted our 2022 NAAOP Fellow, Nikki Grace-Strader this week. Todd was a member of the NAAOP Board of Directors, Executive Committee member and Secretary/Treasurer. Todd was one of the most giving men I have ever known. Todd will be missed by so many but none more than his colleagues in the O&P profession. His great friend Glenn Crumpton, the immediate Past President of NAAOP was visiting with Todd as well and they called me Thursday night from Todd's car and the three of us had such a great conversation. And 24 hours later Todd has passed from this life. I will miss my friend and will forever be grateful for his help and guidance over many years. God Bless Todd Eagen and the life he lived so well.
