“ Dear Oknang, Arlette and family,

My sympathies to your entire family at this time of great loss.

I am another of Todd's aunts who would have seen him last at the family reunion in the Tetons but also have an earlier memory of him at Grandma Edith's home in Sidney--when he was supposed to be taking a nap (as a little tyke). Suddenly Grandma and his Mom noticed ten little fingers that had wiggled their way underneath the bedroom door where he had been sleeping, exploring a possible way to get out.

It's apparent from the thoughts shared about his adult years that the gentleness and tenderness of his heart was a lifelong blessing to those he loved.

“ Dear Oknang, Arlette, and family,

Your sadness is our sadness as we say good-bye far, far too soon to Tod. I let my Mom, Virginia Larsen Rowland, Tod's aunt, know about his passing today and she was very sad. I remember good times with him as kids at our Grandma Larsen's house in Montana and at the family reunion in the Tetons. He was a lot of fun.

“ *While 20 years our junior, my nephew Todd left indelible impressions on my late wife and me, particularly relative to family relationships, and most particularly with his wife and his mother. Our life paths didn't converge often, but when they did, we left enriched for having spent time with him. As I recall his example now, I am very grateful for the time we had with him. He was truly a gentle man.*

“ Todd, I was madly in love with you in our youth. I think I fell in love when we were sledding in the snow at Satori Hospital hill.

“ Todd.....this is much too sad for me to bear. You were the little brother of my best friend, Leilani. You will always be a little boy in my memory. May you be restored to health, youth and relish in eternal life. My heart is broken.
