“ So sad to hear of your loss. I first met Vee when we both worked at Midcom in Waverly. I was a little nervous to go into her office to tell her I was leaving because I had been offered a position at UNI. But she was very happy for me and encouraged me in the great opportunity I had to move to a job that was more in line with my skills and abilities. It was a few years later that she walked into my office as Secretary in the School of Music and surprised me that she had been hired at UNI also! She was always so positive and had a smile on her face.

“ *Doug and family,*

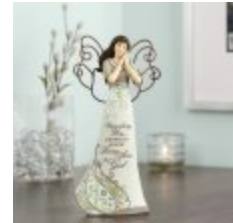

We are so sorry to see Vee has passed. She was such a joy to know, and we know you will miss her a long time. We hope you are comforted to know her struggles and pain are no more, and she is celebrating in her heavenly home. It's just OUR hearts that feel the void. Know that you are being thought about.

“ *Lisa,*

I just heard today about your Mom. I wanted to offer my condolences. Your Mom was a great lady who I enjoyed working with very much (at Midcom). I know it's been along time but she made a difference in my life for the better. Such a great friend and co-worker.

With my deepest sympathy,

Matt Clark

“ *To Lisa and family,
I am so very sorry to learn this sad news this morning. I worked at Midcom when Vee was there and this lovely lady always wore a smile. She had class in the way she presented herself. She was caring and compassionate. I won't forget the day when I snuck into her office to tell her good bye. I believe it was her last day and I wanted her to know how I felt about her. We shared words and a meaningful hug. Going to miss her. My prayers and thoughts are with all of you now. Blessings, Sherri Willey*
