“ My 11 year old daughter (Annah) and I came to know Vera over the past several months. She sat at the same dining table as mom, "Oma" Frackiewicz who passed away June 12th at the Martin Center. Annah and I grew VERY fond of Vera, very quickly. As we would be feeding my mom, we would talk to Vera, hug her and tell her we loved her. I spent so many long days at the Martin Center, that seeing Vera was like seeing my mom. I am heartbroken to hear of her passing and I know my daughter will be too. She talked to Vera all the time....It is a sadder day at the Martin Center without my mom and without Vera. Before we left Cedar Falls to fly back to Dallas, we made a point of going and saying good bye to dear Vera.

“ Hi my name is Annah! I knew Vera from the Martin Center Nursing Home, where my grandma was. I know I just met Vera 7 months ago but I have a lot of memories from seeing her and talking to her. Vera would always have her hair done in a cute way. She would always be dressed nice; in a way that people would walk in and I would always see them smile at her. I love Vera so,so much and I will miss her so,so much. I cannot wait until my family can reunite with her in Heaven!! I can't wait to see this wonderful lady, Vera!!!
