“ We are praying blessings and comfort for our loss of VerJean. She was a blessing to everyone she met. We knew her a short time at Carefree Valley Resort in Harlingen Texas. We had the pleasure of hearing her play the lap steel guitar. She spoke often of her beautiful family and how happy she was that they were serving the Lord in ministry. We know she is having the time of her life now in Jesus arms. But she will be deeply missed, until we see her again. Lord bless you during this time of loss. John we love you and pray comfort and strength for you.

“ Please accept my sympathies to the entire family. I was probably the first stranger that VerJean would have to joyfully welcome and feed in their home. That is because I was a childhood friend of Jeff and later a college friend who came to visit for weekends sometimes. She was such a nice lady and kind to me. Always made me feel like one of the family when I was there as did John and all the kids. It has been a long time since our paths have crossed. We made a stop at their church in Parkersburg a few years ago hoping to meet her and John there for church on a Sunday morning. We were traveling through to meet with kids in Cedar Rapids. It was probably the first time in all their married years that they were not in attendance that Sunday. So, we missed that chance encounter. Darla and I are thinking of you, Jeff, and your entire family. Best wishes!

“ Please accept our sincere condolences for the loss of your loved one. Jesus promises that we will be able to see our loved ones again at John 5:28,29 which talks about the resurrection hope. What a wonderful hope that will be! May this bible thought bring you comfort at this difficult time.
