“ Veronnica and I have been great friends since 3rd grade. She is a very close friend and a sister to me. Thou we had our differences but she was the best friend anyone could ever ask for. I miss her dearly and love her very much. I think about her every min/day. She will be FOREVER in my heart. My son looked up to his aunt Ronni back then, thou he doesn't remember a lot about her he says he misses and loves her. Love you Ronni,

“ I went to school with Veronica. Being a part of such a small graduating class we all know each other and sometimes we knew each other well. Since high school most of us went our ways and yet we always stayed in contact via some means, usually internet, and we were planning our high school reunion. I spoke with Veronica just a few weeks ago concerning this and we both were looking forward to meeting a majority of our former classmates at our 10 year reunion. I will miss the conversations we had and will miss seeing her smiling face. God be with you and your family.
