“ *Dear Ronda and Paul and Families:  
I recently returned from a short trip and while going through the accumulated Couriers, I learned that your mom had died. I remember her with fondness as Bill's mother, as well as your mother. Since I knew your family through Bill and River Hills, I am sending a memorial to River Hills School in memory of your mom and Bill.*

“ Dear Paul & Ronda,  
Word of the sad news of the passing of your mother has reached us. Experience has taught me that no one can tell you that know how you feel or understand your loss for grief and sorrow are a personal thing. I equally know that my words of sympathy and condolence will fail to convey the sincerity and depth with which I hope they will. However, it is hoped that this acknowledgement of the loss of your mother and the knowledge that you are in our thoughts and prayers at this time of sorrow will bring some measure of comfort.  
Most sincerely & respectfully,  
Gerald W. & Kimberly A. von Kamrath

“ Ronda, Paul & Families, It is with great sorrow that we read the notice of your Mother's passing in the local paper. I'm sure you have no recollection of us anymore as it has been years since we saw you. I was your mother's roommate for two years in high school and we were also best of friends throughout high school. We send our deepest sympathy to your families. Agnes & Ralph Meidinger
