“ Dear Judy and family, please accept my sincere sympathy on the passing of your mother. She influenced many young lives as a most patient and caring home economics teacher at Holmes Junior High School. I suspect that the tuna chip casserole from the cooking section graced many dinner tables for years to come. She was at first Mrs. Lund, the teacher, to me, and then in high school she became Mrs. Lund, Judy's Mom. The tuna chip casserole appeared at a few high school pre-game potluck dinners with our group of friends. Always good memories of a dear lady.

“ Our deepest sympathies to you-Judy and Bob, Brian and Christi. Vivian was my Home Ec teacher at Holmes Junior High and taught me so much.I will always remember her for teaching me to cook and sew back then. Then, she became part of our family when my brother, Bob Larkin married Judy Lund 33 years ago. We have always loved Vivian and cherished her gentle, kind soul - she was a wonderful, caring, loving lady. Mike and I, along with Kenzie and Allie - have very fond memories of her lovely smile, her caring concern, and gentle nature. We loved her and always felt loved - by her - in return. We are keeping you in our thoughts and prayers - as we know the terrible loss this has been to you.
