“ I love you and miss you Grandma. There was never a time where you were to busy for us, nor a time when the cookie jar was empty. I'll miss your sense of humor and your goulash more than anything. Thank you for everything.

“ Wanda was a warm and loving person, who's smile would light up a room. She had a sharp business sense, but always put her family first. She loved her grandchildren so much. She will be missed by many.

“ Wanda was a wonderful person who made some beautiful memories with my children growing up with her grandsons Marshall and Jordan. She had a great contagious smile that sparkled when her grand-kids were around her.

Wanda was a great mother in law to my sister ?

She will be missed ~
