“ I am so sorry for your loss. I worked with Wayne at Claassen Eng. from 2000 to 2005. He was one of the very few people there that treated me as an equal. I learned a great deal from him. Wayne had quite a few good jokes to tell, always made me laugh. He talked about his wife and father quite a bit. You could tell that you all were very important to him. My thoughts and prayers are with you.

Sincerely,  
Patty Johnson
