“ We are so sorry for the passing of Wes! I worked with him for four years at Dominos in Cedar Falls from 2002-2006. He was so supportive of my studies at UNI, always offering me and my friends kind words, advice, and a game of cards! Please know that your Wes was a shining light in my life, and I have remembered his advice often. Thank you, Wes, for your service to our country, and we stand with your family during this time. Love and Prayers!
