“ *Dear Marty and Family,
I was two years behind you at CF. I thought your dad was awesome. I was a boy scout in Troop 55 and am so appreciative that he was our leader. I had a wonderful dad but needed other male role models to get me through those early teens. I will always be grateful for your father and men like him: Bob Hansen, Paul Harper, Bob Cooper, Bill Reifsteck to name a few. They helped to raise many great, succesful Cedar Heights kids. Thank you so much for sharing him with us during those important years in our development.*

“ Chris & Kay, you are in my prayers during this very difficult time. You have my deepest condolences. I remember meeting Wilbur in Tucson when I was younger. He was a very happy and generous man. God Bless you all! He is at home now and at peace. My heart goes out to all family and friends.
