“ I know this is 5 years later but I just saw Bill's obituary on the River Hills site (Pat Schultz-igrewupincedarfalls). Although it's been 35 years since I worked with him at the Idaho, I still have great memories of his smile and big heart. Blessings to his family.

“ Billy always enjoyed having us come and see him. He loved to play football at the cabin when in ND. He was a great little kid. I guess I will always remember him best as Billy and his fondness for football. My deepest sympathy to the family.
