“ I was very sorry to find out about Bill. I just found out today. He was a classmate of mine. The last time I spoke to him was last summer in the CVS parking lot. He told me he had been going through a lot of medical problems. I worked across the street from him when he was at Roskamp's. We would see each other on occasion and shoot the breeze for awhile.

Bill was always easy going and friendly. I liked him a lot. It saddens my heart that he is no longer here on earth. He must of finished the job God had given him.

“ Joey:

I am sure that there is nothing that I can say that won't sound redundant or just plain stupid. We are in the process of moving to Mo., so I won't be around to give you a hug but our thoughts are with you. If you ever need to shout, cry or just cuss call 1-319-290-0634.

You've always been one of my favorites.
