“ *What a good woman Wilma was and I have so many fond memories of her. I've known Wilma for over 20 years. Although she and my Mom, Luella Mathusek, were good friends, I also consider Wilma a good friend. Wilma would share her vegetables from her garden, recipes and goodies with us. But I think what I liked to do most with Wilma was play games. She was so smart and could beat me at just about any game we played. I always was blessed by her love of the Lord and her desire to be the best person she could be.*

Whenever I would visit Wilma, she would take me around her home and show me all the pictures of her family. How proud she was of her family and how she loved them. Then she would show me the very intricate paint by number pictures she had hanging on her walls. And last of all, she would pull out her quilts and show me each quilt she had made. She would tell me which quilt she wanted to give to her grandchildren and great grandchildren. I so enjoyed my visits with Wilma. This earth will not be the same without Wilma.

*Our love and prayers to all of you. . .
