“ *About a year ago I got to hear her laughter on the phone, it made me feel so full of love. Remembering all the times riding with her in the convertible smiling and her hair blowing. Eating her amazing carmel corn that begged for everytime I saw her. We are all sad here, but I know she smiling right now again with seeing her girls. We love you all!!!! Leigh Ann*

“ *Wilma was one of a kind - with a great laugh! She was always there at our John Deere softball games & loved any sports. I also remember when she got her red convertible & it fit her perfectly 😊. Memories of her just make me smile - hope your memories will help make the tough days easier ❤️❤️*

“ I have so many memories of Wilma and the whole Stallman family. From the weekends spent at wrestling tournaments and trips to Des Moines for the State Wrestling Tournament to just hanging out in their home and spending nights with Susan. You couldn't ask for a more loving family where the doors were always open.

Big hugs to you Jeff as well as Andrea and the rest of the family. I pray knowing Wilma is reunited with Marv and your sisters give you some sense of peace! Wilma was one of a kind - but then again - all the Stallman's were as is you!

Fondly,

What an amazing person and remarkable life! Wilma was a joy and a great neighbor, enjoyed the laughs and visits when we saw her outside. (Her smile and sense of humor were her trademark.) She would bring her little red car over to Howie to fix (more than once) and say " Now don't tell Marv!" Wishing your family peace and comfort...

Wilma was fun to be around—always laughing and smiling. All of us Chamberlains in Tennessee looked forward to their gang coming down for the forth of July Celebrations.

Thank goodness for Precious Memories!
