“Winnie was such a fun person to be around! She was a character! For many years we worked on the display crew for the World's Window in Cedar Falls. Winnie displayed the jewelry - she loved her jewelry. She did such a fabulous job creating her displays at home and then bringing them to the store. We did this once a week followed by coffee at a local coffee shop. She loved her Lattes, too. I consider myself fortunate to have known her. She gave so much to others-I'm sure she is in a good place now free to do all the things she loved most. All the best to all of her family. God Bless.
